- Blackened forms will go out to facilities after September 28th. Be prepared to field questions from facilities.
- CMS is currently working on executive summary to go back to the LDOs.

III. Lab Collection Project: (Kathy/Shannon)

- CMS plans to collect lab data electronically for Oct, Nov, Dec, 05.
- Expanded set of lab values to include bone disease
- LDO workgroup for file spec revisions

IV. Fistula First (Gina/Shannon)

V. Core Data Set (Shannon)

VI. Additional Topics:

- 2728 – Question 18 – Prior to ESRD therapy questions, the problem is that the question does not allow a block for less than 6 months. Less than 6 months is currently being indicated with no answer.
 - Update: CMS will be revising the form to include an answer for less than 6 months
- QNet conference will be September 12 – 16th. LDOs are invited to attend Thursday September 15th to discuss IT projects and update on CROWN web. We will be gathering requirements. If we have enough LDO participation we will have an additional LDO meeting on that day. The website is: www.qualitynetonline.com
